Through the NCCC “City Lights” Children’s Ministry program, we hope to:

### **L**ove and learn

- ✦ We will first and foremost love God with all of our heart, soul, mind and body, and love others with His love.
- ✦ We will teach the way God designed children to learn ~ through all of their experiences, with their own curiosity as their guide (Deuteronomy 6:6-9).

### **I**mpact families for Christ

- ✦ We will intentionally shepherd families with children, building meaningful relationships, and encouraging and equipping parents to spiritually lead their families.

### **G**lorify God and enjoy Him forever

- ✦ We will initiate fun with a purpose, teaching kids that God is the center of their lives, and that they can recognize and experience His presence in all areas of their lives.

### **H**ope for families with children

- ✦ We will strive to be a support ministry to parents in their primary roles as faith-developers.

### **T**arget the world of children

- ✦ We strive to understand a child’s perspective in our efforts to reach them for Christ (1 Corinthians 9:22).
- ✦ We are deliberately child-targeted, desiring to teach the Bible creatively with age-appropriate applications so that each boy and girl will hear God’s truth in a relevant, relational and reformed way.

### **S**hepherd children step by step

- ✦ We will engage children from birth through the pre-teen years, instilling an enduring faith and love for God that will lead them to grow wise, in the light of Christ, “shining like bright stars in the heavens.” (Daniel 12:3)
